

Morgantown Tree Board (MTB)
Notes, irregular meeting of July 26, 2013

Present: MTB members Dan Brown and Secretary Jon Weems, and city employee Marchetta Maupin.

There was no formal meeting in July. Rather, there was a working meeting that involved Dan Brown and Jon Weems pruning trees with Marchetta Maupin in White Park and Jack Roberts Park. Work was done from 4:30 to just past 6:00 on Friday, July 26. Most of the recently planted trees looked good, if a little sparse. There was one redbud with a dead top (but not dead all the way to the ground) at White Park and one very sparse redbud at Jack Roberts Park. These two might be candidates for replacement. One big old maple at Jack Roberts appeared to be nearly dead.

Regular Tree Board meetings were expected to resume in August.

Jon Weems
